	SUBJECT:	100 Universities Program								
	REFERENCE:	DDS Draft Memorandum to the Executive Director-Comptroller								
25X1	1. As you know the Deputy Director for Support's meeting to discuss the future of the 100 Universities Program was held on 8 February 1967, therefore the recommendations emanating from that meeting could not take into consideration the publicity resulting from the Ramparts incident. 2. Nevertheless, DCS were consulted subsequent									
	influenced by th	and their recommendations are understandably ne initial effect of this publicity.								
25X1	3. All with paragraph 7	Offices were queried in accordance 7.a. of the referenced memorandum. With the 25X1	25X1

In their opinion, the schools which erest to the Agency were either participants in year, had a high potential for student or other or both. The single exception was the University								
25X1		exception was the university								

4. They also believe the results from presenting the program

in small schools would not justify the effort or potential risk. The consensus was that recruiting under the current circumstances could be accomplished more effectively and with less risk by discreet continuance of the effort by the Office of Personnel field recruit-

ing staff.
